Attendance

In assemblies we have been looking at our attendance and how many minutes late children are in a week. We are trying to get this figure to zero. At the minute it is over 450 minutes lost learning time each week due to lateness. Please help us by arriving to school on time every day.

Thank you.

Year 1/2C have been working hard in Maths, being introduced to multiplication and sharing equal groups.

Our
EYFS
and Key
Stage 1
are taking part

in toothbrushing every day at school to keep their teeth clean and healthy.

Year 4 have been exploring magnets in their Science lessons.

In Design and Technology, Year 2 have been tasting a variety of foods and investigated which would be better for their wraps which they will be making in a few weeks time.

Well done
to
1W
for achieving the most improved class attendance this week!

Coffee Morning

You are all invited to our coffee morning on Friday (6th February) 9am-10am in our school hall. The Dental Team and the Mental Health Team will also be there to answer any questions you may have over a free cup of coffee/tea. It will be lovely to see as many as possible of you there.
